North Dallas Dog Rescue (www.northdallasdogrescue.org) :

Our mission is clear: to rescue abandoned dogs from local shelters and match them with loving families and permanent homes in Dallas, North Texas and beyond. At NDDR, we believe the best way to provide adopters with their "forever friend" is by initially fostering rescued dogs in homes with experienced, educated dog-lovers, handlers and trainers; when we make them available for adoption we can provide adoptive families with a lot of detailed information about each dog we have had in our care! North Dallas Dog Rescue is a subsidiary of American Dog Rescue and the Gail L. & Arthur E. Benjamin Foundation, 501(c)(3)Salt Lake City, Utah. Immediate donations will be acknowledged by our parent foundation.

During 2009 NDDR placed around 85 dogs to new forever homes. Just think about how many lives have been saved and enriched by companionship! But this work takes money so donations are greatly appreciated. Take a look at the photos of successful adoptions that will melt your heart.

Texas Region SCCA (www.texasscca.org)

Affiliated with the Sports Car Club of America (www.scca.org) ~60,000 members with regions all over the US offers car related activities in a broad range of automotive events. A road rally is not a contest of speed or racing. The challenge is to follow a prescribed course at legal speeds and to read signs and landmarks along the route to find answers to questions supplied by the organizers much like a scavenger hunt.
